## JEWELRY SEIZED AT PIERS

MRS. STEELE OF CHICAGO HAS TO GIVE UP \$2,000 WORTH.

The Spohlers Supposed That What They Wore Could Come In Free They Lost Jeweller With a Stickpin for Every Week Day Loses Five of Them.

Surveyor Henry worked with his assistant, Special Deputy Surveyor George Smyth, more than a full day yesterday passing judgment on folks who brought in things that they did not declare.

The most important case was that of its foundation in 1815, have come under and that the United States census is only Mrs. Samuel B. Steele of 3339 Michigan the ban. They have appealed to the Brit- applicable in the absence of an enumera- avenue, Chicago, who is the wife of wholesale grocer and who arrived yes George Washington. Mrs. Steele was forced to surrender about \$2,000 worth of jewelry to Uncle Sam. She was trav-Following an accident at the Vanderbilt eiling alone and brought several trunks containing dutiable gowns which she declared. She answered the questions of acting Deputy Surveyor Peter J. Simmons in such a way as to make him sus pect and two inspectresses searched her. They found a large diamond studded barrette, a silver mesh bag with a dia mond monogram, a gold coin parse and

Mrs. Steele was sent over to the Custom House to explain. She said she had concealed the jewelry about her for safe Leeping. She declared that she had bought the diamond bracelet in Paris at Liffany's several years ago and believed that it had paid duty once and that the coin purse had been given to her by a friend in Paris and that she supposed them led to the break with her husband by a friend in Paris and that she supposed She asserted that despite this seeming gifts were not dutiable. She bought for others she was always the barrette and the silver mesh bag with the diamond monogram in Paris this season. The Surveyor thought that oaid abroad for it with the duty added.

a confession to him.

"Just passed Lisbon. Heavy smoke clouds are hanging over the town."

BEBLIN, Oct. 10.—The Government has instructed the German Minister at Lisbon, who is now on a leave of absence, to return to his post immediately and to enter into semi-official relations with the provisional Government with a view to safe. A C Spohler, manager of a warehouse she was with a party of friends and on their arrival they met Mr. Groebe. While he was assisting her to alight she stumbled and the hatpin pierced his eye.

The sight of the eye is entirely destroyed. Mr. Groebe is receiving treatment at the Newark Eye and Ear Infirmanything that they wore personally. They answer to questions that they had, were told that they would have to sur render the jewelry The appraisers estimated that its value without duty was

> William Elwood, a jeweller of who arrived by the American liner St Paul, ran afout of Tim Donahue, plain clothes pier frisker, who found in the leweller's wallet five diamond and sap phire scarf pins. Mr Elwood said he was merely a visitor here and that he had no intention of selling the pins. He also wore a pin and called the attention of to wear a different pin every day in the week except Sunday. That is why he had six pins. His attention was called to the newness of the pins other than that Dr. Richardson of Harlem Hospital examined Weinstein and declared that he readily. He was a jeweller and naturally readily. he wore. He said that could be explained ataxia, kept his pins in fine condition, polishing each one as he put it away. It was observed by Mr Smyth that the pin worn by Elwood showed evidences of much wear, while the others did not show any surgeon Also, Mr. Smyth remarked, the other pins were concealed. They were seized.

#### BURGLAR OF 13 CONFESSES. Arrest of His Alleged Accomplice of 14 Follows.

Arrested on suspicion of attempting to loot the safe in the factory of Charles Graul & Co. in Newark on Sunday, Octo ber 2. Joseph Kovacs, 13 years old, of was more than six feet tall and weighed 135 Livingston street, this city, signed a written confession. Following Kovacs's arrest Joseph Goldstein, 14 years old, of Eighteenth avenue and Livingston street. was also taken into custody.

Kovaes told about going to the Graul factory, where he had been employed, and cough on a lower floor. He declared that he stole a hammer and lead pipe from a house in West street and with Goldstein forced an elevator door in the factory He then explained how he hammered or the door until the combination was broken, the outer door was pried open and to the Atlantic avenue station since his appointment to the force nine years ago and had a good record. He is survived by his wife and three children.

SCHOOL DAYS IN THE ARMY.

then the coughing interrupted their work. In searching the boy's home the police found two silver watches stolen from houses in West and Livingston street to which the boy confessed. He is also alleged to have admitted the theft of a bivoice. a bicycle.

#### DRUGGED FOUR FAMILIES. Harlem Burglar Out for Money Only Scattered Chloroform

Harlem detectives were out in all sorts of disguises yesterday looking for the man who chloroformed the members of establish schools for his enlisted men four families living in a tenement at 1837 by the drugged persons the thief left jewelry and watches behind Henry Levinsky, who lives on the second

floor of the tenement with his family did not know that a burglar had been in his room until the police knocked at the door. Then he discovered that he had a had headache and that some one had be through his trousers pockets while he slept. The smell of chloroform was in the room. Across the hall Morris Engelman discovered that he had lost \$6 pockets and that he, too, had been drugged.
